

Campground and Caretaker Hosts

Volunteering as a park host is a great way to experience South Australia's magnificent parks network while providing a valuable volunteer service to visitors, campers, and national park staff.

From the breath taking vastness of the outback to the sweeping coastline of the Coorong, the rugged grandeur of the Flinders Ranges to the tranquil River Murray - it's there to explore.

Staying in popular parks, campground hosts are a vital part of the camp community. They support park rangers by welcoming campers, maintaining visitor facilities and sharing information.

Campground hosts wanting to venture further afield, extra training provides the opportunity to stay in our more remote, but often busy, camping areas for a few weeks to a few months at a time.

With less focus on visitor management, some quieter parks welcome longer-term caretaker hosts, providing an onsite presence and lending a hand in all sorts of activities from maintenance to wildlife surveys.

Campground and Caretaker hosts share a love of the outdoors, a sense of adventure and enjoy meeting and talking with people from all walks of life.

Express your interest

If you are interested in becoming a campground or caretaker host, please complete the online expression of interest form at www.parks.sa.gov.au and we will get in contact with you shortly.
