Friends of Adelaide International Bird Sanctuary will be conducting monthly sessions designed to help you learn more about our amazing shorebirds in the Adelaide International Bird Sanctuary.

LOCATION: Thompson Beach. From Port Wakefield Road enter the Dublin turnoff, take first left past the cricket ground, continue along Ruskin Road to the end and turn right on to the Esplanade. We will meet at the northern end. Look out for the blue FAIBS flag.

We will spend about an hour going between the backwaters and the beach and then gather for an outdoor morning tea, information exchange and social time. Due to COVID restrictions we regret we cannot supply morning tea, so please **BYO** eats, drinks and a chair. Telescopes supplied.

PLEASE BRING: Your morning tea, chair, binoculars or telescope, hat, sunscreen, insect repellent, water, hand sanitizer. Face masks are optional.

RSVP essential to Anna at faibssa@gmail.com with name, phone and email contact & date of session(s). Participants will be allocated to a group with a birding guide and scope, and should stay in that group during bird viewing time. You can register for up to 3 sessions.

A wait list will be made, as attendee numbers are limited.
If you have registered and are unable to attend please contact us promptly.

Please DO NOT ATTEND IF... you are unwell or experiencing COVID-like symptoms, have recently travelled from restricted areas interstate or overseas, or had recent contact with an infected person.
